

We have been laying Seamless Flake Floors on the Sunshine Coast for over 30 years, a prime example of the quality of our work is the Ducatti Noosa Showroom which was completed in 2000. If you are up near Noosaville check out the floors we recently did for Padre Coffee Roastery. We also have done in the clubhouse of the Yandina Cricket Club and are doing all of the garages at the Nature's Edge Resort at 25 Owen Creek Road, Forest Glen for Propcorp.
